

**Ensure that *health and academic outcomes for kids* are no longer determined by circumstance.**

Colorado Association for School-Based Health Care (CASBHC) is a nonprofit organization with the mission to *optimize health and academic achievement among young people through access to quality, integrated health care in schools*. CASBHC advances health and educational equity through advocacy, technical assistance, and professional development for existing and emerging school-based health centers (SBHCs).

- More than 35,000 students receive primary care, behavioral health, and oral health services annually in 69 SBHCs in Colorado.
- In 2020, CASBHC secured over \$6.3 million in funds distributed directly to SBHCs, and contributed another \$1 million of in-kind support including training and professional development, technical assistance, advocacy, and growing the number of SBHCs. Member organizations were able to participate as CASBHC's sub-grantees on grants totaling over \$500,000.
- There are benefits tied to your level of contribution. Please refer to the table on the next page and **contribute to this mission so we can achieve the same success in 2021.**

## How can you join?

**Individual Members** includes individuals who support CASBHC's mission. Current levels begin at \$75.

**Associate Members** are organizations or individuals that support CASBHC's mission and goals and that are not eligible for the Sponsoring Organization Membership. Current levels begin at \$250.

**Sponsoring Organization Members** are entities primarily responsible for operating one or more school-based health centers in Colorado. Dues for a Sponsoring Organization are based on the number of SBHCs it operates and are outlined in the following table:

Number of SBHCs	Dues
Start-Up (first year with planning grant)	\$250
1-3 SBHCs	\$500
4-8 SBHCs	\$1,000
9+ SBHCs	\$2,000

Membership Year: January 1, 2021 - December 31, 2021
